The plaintiff filed an amended complaint on August 27, 2020. Docket Entry No. 14. The defendants, represented by Hill Rivkins LLP, answered. Docket Entry No. 19. By a letter dated March 2, 2021, the plaintiff requested “a pre-motion conference to compel defendants, Brit Syndicate 2987 and the other four named Lloyd’s underwriting syndicates (“Defendants”), to produce documents and information pursuant to Plaintiff’s discovery requests.” Docket Entry No. 26. The plaintiff asserts that the defendants “have failed to comply with requests to meet and confer concerning its objections to Plaintiff’s First-Requests for Document Production; and have also ignored repeated requests for responses to interrogatories, preventing and delaying the scheduling of key fact witnesses.”

On or before March 19, 2021, the defendants shall file their response, no longer than four pages, to the plaintiff's March 2, 2021 letter. The parties must comply with the Court's Individual Rules of Practice in connection with any general pretrial matters before the Court. Failure to comply timely with this order may result in imposition of sanctions, including the harshest sanctions.
